Best Auction in the Bluegrass

Thanks to hundreds of generous donors, our Live and Silent Auctions have become known as the best in the Bluegrass. Our yearly auction is an important part of our event and has helped us raise over \$1,000,000 since our inception.

Once again, we are asking local businesses to contribute either a complete gift basket or several items that we can package with other items to create a gift basket on your behalf.

Auction items, large or small, are appreciated...

Our categories include:
 Wine & Dine
 For the Home
 Health & Beauty
 Kid's Korner
 Sporting Events & Entertainment
 Autographed Sports & Celebrity Items
 and Novelty & Misc.

Our goal is to complete our collection of auction items by July 31 so all donors can be listed in our event program.

Thank you in advance for your help!

OUR MISSION

In honor of the life of Makenna David, the foundation gives hope, joy and courage to the children and families who are served by the caring professionals of Kentucky Children's Hospital.

Let us tell you about...

Kentucky Children's Hospital

Kentucky Children's Hospital is dedicated to meeting the medical needs of children from infancy to adolescence from each of Kentucky's 120 counties. Representing a cornerstone of healthcare in Kentucky and beyond, young patients and their families have come to depend on Kentucky Children's Hospital for everything from routine care to specialized services.

Kentucky Children's Hospital cares for more than 6,000 children a year and records more than 60,000 visits to its children's clinics. Another 12,000 children are treated in the Emergency Department annually.

With the opening of The Makenna David Pediatric Emergency Center in 2010 these children will have a facility that is second to none!

Thank you for helping us help Kentucky's kids!
